ENVIRONMENTAL PROTECTION AGENCY

STATE OF MONTANA

Standards of Performance for New Stationary Sources and National Emission Standards for Hazardous Air Pollutants; Delegation of Authority.

On December 23, 1971 (36 FR 24876), and March 8, 1974 (39 FR 9889), and August 6, 1975 (40 FR 33152), and September 23, 1975 (40 FR 43830), and October 6, 1976 (40 FR 46250), and December 16, 1976 (40 FR 58416), and December 22, 1976 (40 FR 59204), and January 15, 1976 (41 FR 2232 and 2332), and January 26, 1976 (41 FR 3253), pursuant to Section 111 of the Clean Air Act, as amended, the Administrator promulgated regulations establishing standards of performance for 23 categories of new stationary sources (NSPS). On April 6, 1973 (38 FR 8820), and May 3, 1974 (39 FR 15396), and October 14, 1975 (40 FR 4823), pursuant to Section 112 of the Clean Air Act, as amended, the Administrator promulgated national emission standards for three hazardous air pollutants (NESHAPs). Sections 111(c) and 112(d) of the Clean Air Act direct the Administrator to delegate his authority to implement and enforce NSPS and NESHAPs to any State that has submitted adequate procedures. Nevertheless, the Administrator retains concurrent authority to implement and enforce the standards following delegation of authority to the State.

On April 18, 1977, the Governor of the State of Montana submitted to the Environmental Protection Agency Regional Office a request for delegation of authority. Included in that request were procedures for NSPS and NESHAPS and information on available resources to implement such reviews. Included in that request were copies of the State of Montana regulations which incorporate by reference the Federal emission standards and testing procedures set forth in 40 CFR Parts 60 and 61, with certain ex-
A Notice announcing this delegation will be published in the Federal Register in the Notice will state, among other things, that effective immediately, all reports required pursuant to the Federal Water Pollution Control Act and the Federal Water Quality Act shall be submitted to the Federal Department of Health and Environmental Sciences at Helena, Mont. Any such reports which have been or may be received by EPA, Region VIII, will be promptly transmitted to the State.

Since this delegation is effective upon the date of this letter, there is no requirement that the State notify EPA of its acceptance. Unless EPA receives from the State written notice of objections within ten (10) days of the date of receipt of this letter, the State will be deemed to have accepted all of the terms of the delegation.

Best personal regards,

Sincerely yours,

[Signature]
Regional Administrator.

Therefore, pursuant to the authority delegated to him by the Administrator, the Regional Administrator notified the Governor of the State of Montana on May 18, 1977, of the delegation to the Department of Health and Environmental Sciences grant such a variance or waiver, EPA will consider the source receiving the such relief or waiving the applicable federal regulation and initiate enforcement action against the source pursuant to section 113 of the Clean Air Act. The granting of such relief by the Department of Health and Environmental Sciences shall also constitute grounds for revocation of delegation by EPA.

Applications for new source review in process at the time of this delegation shall be processed through to completion by the Regional Office. Subsequent enforcement requirements shall be performed by the delegate.
