

## **HYBRID QUARTERLY ACP STAKEHOLDER MEETING**

### MEETING MINUTES

May 31, 2023 | 11:00am-12:00pm via ZOOM and In-Person

Location: Metcalf Building - 1520 E. 6th Ave, Helena MT

Room 45

#### **Attendees (in-person):**

Rick Thompson, Waste Management Bureau, Bureau Chief (DEQ)  
Greg Kurvink, Asbestos-Meth Environmental Specialist (DEQ)  
Travis Biedermann, Asbestos-Meth Environmental Specialist (DEQ)  
Amanda Allen, Data Control Specialist (DEQ)  
Kevin Stone, Public Information Specialist (DEQ)

#### **Attendees (on-line):**

Garett Masin (DEQ)  
Bryan Alkire  
Rob Smith (GSA)  
Marc Ingraham  
John Benoit (DEQ)  
J. Decker

#### **Introductions**

Kevin Stone welcomed stakeholders and went through introductions in the room and online.

#### **Staffing Update**

Greg Kurvink provided an update that ACP has filled one vacant position and will be focusing on training the new hire, Ryan Foley, who starts in mid-June.

#### **Rules Update:**

Greg Kurvink provided an update that ACP continues to work with DEQ's attorneys and the rule writer on proposed rule amendments. The program hopes to provide an informal draft to Stakeholders this summer and hold several meetings to listen to comments for consideration.

#### **Public Comment**

Kevin Stone asked for any public comment, none was received.

#### **Next meeting**

To be determined and may be on hold until stakeholder rule engagement is complete.

#### **Adjourn:**

No comment from the participants. Kevin Stone adjourned the meeting at approximately 11:15 am.
