

Training Providers

Training courses will be approved for a two-year period beginning January 1st of the year following approval.

You may apply for training course approval October 1st through November 15th.

If your training course **has not been approved** by DEQ on or before July 1, 2020:

- \$2,000 per course is required to provide an initial training course for accreditation in an asbestos-related occupation or to provide a refresher course for renewal of accreditation in an asbestos-related occupation.

If your training course **has been approved** by DEQ on or before July 1, 2020:

- \$300 renewal fee per course is required to provide an initial training course for accreditation in an asbestos-related occupation.
- \$200 refresher course renewal fee is required to provide a refresher course for accreditation in an asbestos-related occupation.
