

Consumer Notice of Lead Tap Water Monitoring Results Certification Form

PWS Name: _____ PWSID: _____ Monitoring Period: _____

Delivery Method

(A copy of the letter that you sent to the consumers must be submitted with this form.)

- 1. Community water system (choose a or b):
 - a. Consumers were notified by U.S. Mail on _____ (date).
 - b. Consumers were notified by hand/direct delivery on _____ (date).
- 2. Non Transient Non Community (NTNC) water system (choose a or b):
 - a. The lead and copper results were posted on _____ (date) within the facility in which the samples were collected and the results will be posted until the next lead/copper results are reported.
 - b. Consumers were notified by hand/direct delivery on _____ (date)

The water system named above hereby certifies that its lead and copper consumer notice has been provided to each person it serves at the specific sampling site from which the sample was tested. The water system also certifies that these results and the following information were provided to such persons within **30 days of receiving the test results** from the laboratory:

- Individual tap results from lead and copper tap water monitoring.
- An explanation of the health effects of lead and copper with steps that consumers can take to reduce exposure to lead and copper in drinking water.
- Contact information for your water utility.
- The maximum contaminant level goals and action levels for lead and copper, and the definitions of these two terms from.
