Re: Public Notice State Certification Date: _____

Violation or Situation: _____

Violation date: _____
(date)

Consultation with primacy agency on: _____
(date)

10 Required Elements

- The following elements were included in the notice(s) we provided: the violation or situation, including the contaminant(s) of concern, and the contaminant level(s),
- when the violation or situation occurred,
- any potential adverse health effects from drinking the water (mandatory language provided),
- the population at risk, including subpopulations that may be particularly vulnerable if exposed to the contaminant in their drinking water,
- whether alternative water supplies should be used,
- actions consumers should take, including when they should seek medical help (if known),
- what we are doing to correct the violation or situation,
- when we expect to return to compliance or resolve the situation,
- our contact information, and
- a statement encouraging notice recipients to distribute the notice to others.

Delivery Method:

The following delivery methods were used for distribution of this notice (choose 2):

- | | |
|--|--|
| <input type="checkbox"/> Posting in conspicuous locations | <input type="checkbox"/> Hand delivery |
| <input type="checkbox"/> Mail | <input type="checkbox"/> Newspapers |
| <input type="checkbox"/> Delivery to community Organizations | <input type="checkbox"/> E-mail |
| <input type="checkbox"/> Other | |

The public water system indicated above hereby affirms that public notice has been provided to consumers in accordance with the delivery, content, and format requirements applicable to our system and this violation or situation.

Attached are copies of each type of notice that we provided to our consumers.
