

MONTANA DEPARTMENT OF ENVIRONMENTAL QUALITY
NOTIFICATION OF CHANGE TO
MUNICIPAL OR WATER/SEWER DISTRICT SERVICES FORM
In accordance with MCA 76-4-130 (2)

Owner Information:

Owner Name: Signature of all owners of record Print name of owner (s)

Address: Street or P.O. Box, City, State, Zip Code

Email: Phone:

Parcel Information: Geocode (this can be found at http://svc.mt.gov/msl/mtcadastral)

Subdivision Name: Lot: Block :

Type of Change:

- Water Connection System Name:
Sewer Connection System Name:
Water and Sewer Connections System Name:

Eligibility Requirements: All of the following criteria must be met:

- The parcel must have an existing Certificate of Subdivision Approval.
The parcel can be served by a service connection and will not require construction of a new water or sewer main.
The parcel will connect to a Municipal or County Water and/or Sewer District.
The change consists solely of connection to Municipal or County Water and/or Sewer District, not a change in use of the parcel.

Submittal requirements: All of the following items must be submitted:

- This form, signed by the property owner, and the Municipal or County Water and/or Sewer District representative
Copy of the existing Certificate of Subdivision Approval
Map showing the water and sewer connections to the Municipal or County Water and/or Sewer District main.
\$100 processing fee

Certification: I hereby certify that I am authorized to sign on behalf of the Municipal or County Water and/or Sewer District and that:

- the existing public system is approved by the department and is in compliance with the provisions of Title 75, chapter 6, part 1, MCA, and ARM Title 17, chapters 30 and 38;
the system has adequate capacity to meet the needs of the connection,
the connection is authorized;
the system is in compliance with ARM Title 17, chapter 38, and all other applicable department regulations; and
appropriate water rights exist for this connection (for water connections only).
