Registration is required to attend remotely, please use the following link:

https://mt-gov.zoom.us/webinar/register/WN_5Mw1yzGFSWC1WrqCK5QZoQ

Agenda

- 1. Welcome & Introductions (10 min)**
- 2. Overview of EPA's CPRG Program (20 min)**
 - a. Purpose
 - b. Phases
 - c. Key Dates
- 3. Priority Climate Action Plan & Implementation Grants (20 min)**
 - a. Required Elements
 - b. Implementation Grant Overview
 - c. Timeline
- 4. Open Public Comment and Q&A (60 min)**
 - a. DEQ is specifically seeking comment in the following areas:
 - *Are you aware of specific shovel-ready emissions reduction projects that could be implemented by state, local, or tribal governments and that should be included in the plan? Who is leading these projects (so we can reach out)?*
 - *What can the state do to support these projects?*
 - *How do you think the state should select and prioritize the measures that will be included in the Priority Climate Action Plan?*
 - *Do you have recommendations for additional entities the state should be sure to engage in the planning process?*
- 5. Next Steps & Closing (10 min)**
