**Mission Statement**

The Subdivision and Development Advisory Council's mission is to act as a liaison between DEQ, counties and sanitarians, and the public as part of the Department's continual improvement process focused on improving subdivision and development related processes and policies while protecting public health and the environment. The Subdivision and Development Advisory Council's work is guided by the policies set out under the Water Quality Act MCA 75-5-101 and the Sanitation in Subdivisions MCA 76-4-101.
